Serial No. : 10/797,007
Inventor(s) : Peng et al.
Issue Date : September 16, 2008
Title : METHOD OF GENERATING ERROR DETECTION CODES
Doc./File No. : 320528647US1

Re: Reconsideration for Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322.

Respecting the alleged error(s) in your request, errors in drawing figure(s) are not correctable by certificate of correction unless a newly approved clean drawing(s) has been submitted and approved by the office indicating the correct drawing(s) without the error(s).

A certificate of correction will issue to correct the remaining errors noted in your request.

Further consideration will be given concerning this matter upon receipt of a request for **Reconsideration** (reconsideration should be accompanied by supporting document(s) such as, amendment, postcard receipt, 1449/892, etc.) and should be filed and directed to Decisions & Certificates of Correction Branch.
